

🐾 Scrip Program 🐾

Your weekly, friendly reminder letter...I have just a few things.

1. ➡ For all you  fans....gift cards are NOW available!
I will be adding \$25 Target cards to the Scrip to Go box.
\$100 is also available but these have to be ordered.

2. ➡ For all those that use PrestoPay. They have lowered the convenience fee from \$0.39 to \$.15 per order! Who doesn't love a decrease in costs!

3. ➡ As always, my scrip order goes in on Tuesdays and will be sent home to you Thursdays. I will encourage you to place your order online at your convenience, knowing that it will get placed for fulfillment on Tuesdays. You can pay for your order via PrestoPay OR send a check to school.
(Can't wait for your cards? We always have Scrip to Go available in the school office.)

4. ➡ Another favorite is being added to Scrip (and our Scrip to Go box)....

It comes in \$10 increments with a 5% rebate.

5. ➡ Do you ever order photo prints, photo cards, photo books online? Have you ever checked out...

Its worth taking a look.

(I have used this site. It is fabulous with lots of choices and competitive prices.

This company participates with Scrip AND they are offering a limited time **rebate of 14%**. Consider getting your photo items from this site. They also offer ScripNow! I get my Christmas cards from this site and I am never disappointed.)

6. ➡ Did you know that you can purchase

using Shopwithscrip.com? There are no fees, no expiration dates and can be used anywhere AmEx is accepted. The rebate is small but consider purchasing one for all those last minute purchases when you don't have scrip cards. Makes a great gift too...always fits and never gets returned. ☺
Be sure to check out shopwithscrip.com for lots of other rebate bonus increases and new retailers being added everyday So much information on this site....please take some time to check it out.
